

## Manufacturer Declaration

Date: April 2th, 2021

Subject: Device ability confirmation and statement

To whom it may concern,

We undersigned, Zhejiang Anji Saianfu Biotech Co., Ltd. ,VAT: 91330523MA2B3WE119, Address: No.489 WenYun Rd., TangPu Industrial Park, Dipu Subdistrict, Anji County, HuZhou 313303, ZheJiang, China.

Here declare that, we have the reOpenTest COVID-19 Antigen Rapid Test (Ref.COVG10S, Ref. COVG10C and Ref. COVG10) device manufactured, it is N-protein antigen based and has *the ability to detect the known genetic variants of SARS-CoV-2*. We are also continually assessing the impact that new genetic variants may have on our device in order to ensure test performance, and ensure that it continues to meet the requirements for the purpose assigned to it.

Yours sincerely,
